Math Summit for High School Educators: June 13-14, 2012 or August 8-9, 2012

Day 1: Common Core State Standards: Mathematics and Assessment

*Facilitator: Christina Sherman
HCESC Math Consultant*

"What will my students need to know and do at each grade level?"

Participants will:

- Deepen their understanding of the CCSS in Mathematics
- Embrace the shift in pedagogy that needs to occur with the CCSS in Mathematics
- Become familiar with the available resources for the CCSS in Mathematics
- Investigate the PARCC resources

Day 2: Inquiry Processing in High School Math Credit Courses

Facilitator: TBA

"What will my classroom look like as I implement the instructional model needed for Common Core?"

REGISTER online at:
www.highaims.org

TIME: 8:30 a.m. to 3:30 p.m.

LOCATION: TBA

COSTS: \$175 per participant for member districts

Certificates of Participation including contact hours will be awarded.
